If the above condition is not satisfied on or before the Long Stop Date, the obligations of the Placing Agent and of the Company under the Placing Agreement shall cease and determine and neither the Placing Agent nor the Company shall have any claim against the other in relation to the Placing Agreement (save in respect of (i) any antecedent breaches of any obligation thereunder; and (ii) any liabilities in respect of the representations and warranties made by the Company, undertakings by the Placing Agent, indemnity and reimbursements).

Completion of the Placing

Completion of the Placing shall take place on the third Business Day after the fulfillment of the above condition or on such other date as the Company and the Placing Agent may agree in writing.

Force majeure

- (1) there is any change in national, international, financial, exchange control, political, economic conditions in Hong Kong which in the reasonable opinion of the Placing Agent would be materially adverse in the consummation of the Placing; or
- (2) there is any breach of the warranties, representations and undertakings given by the Company in the Placing Agreement and such breach is considered by the Placing Agent on reasonable grounds to be material in the context of the Placing; or
- (3) there is any material change (whether or not forming part of a series of changes) in market conditions which in the reasonable opinion of the Placing Agent would materially and prejudicially affect the Placing or makes it inadvisable or inexpedient for the Placing to proceed; or
- (4) any statement contained in this announcement and the previously published announcements by the Company has become or been discovered to be untrue, incorrect or misleading in any material respect which in the opinion of the Placing Agent would be materially adverse in the consummation of the Placing; or
- (5) there is any suspension of dealings in the Shares on the Stock Exchange for more than five consecutive Business Days (other than as a result of or in connection with the Placing); or

Since completion of the Placing is subject to the fulfillment of the condition as set out in the Placing Agreement, the Placing may or may not proceed. Shareholders and potential investors are reminded to exercise caution when dealing in the Shares.

REASONS FOR THE PLACING AND USE OF PROCEEDS

The principal activity of the Company is investment holding. The subsidiaries of the Company are principally engaged in (i) securities trading and investment; (ii) provision of financing services; (iii) investment property in Hong Kong; (iv) e-commerce business; and (v) trading business and related services.

It is expected that the maximum gross proceeds and net proceeds from the Placing will be approximately HK\$59.8 million and HK\$57.6 million respectively.

The net proceeds from the Placing are intended to be used for securities trading and investment which includes but not limited to equity, fixed income securities or assets and derivatives.

The Board has considered other alternative fund raising methods such as debt financing, rights issue or open offer. The Board considered that debt financing may incur interest burden on the Group and may be subject to lengthy due diligence and negotiations with the banks with reference to the Group's financial position and the then financial market condition and it may be relatively uncertain and time-consuming. On the other hand, rights issue or open offer may also involve relatively substantial time and cost to complete as compared to the equity financing through issue of new Shares under General Mandate.

The Directors (including the independent non-executive Directors) consider that the terms and conditions of the Placing Agreement are fair and reasonable and are on normal commercial terms and the Placing is in the interest of the Company and the Shareholders as a whole.
