Force majeure

The Placing Agent reserves its right to terminate the Placing Agreement by notice in writing to the Company at any time up to 8:00 a.m. on the date of completion of the Placing if, in the reasonable opinion of the Placing Agent, after consultation with the Company:

- (2) there is any breach of the warranties, representations and undertakings given by the Company in the Placing Agreement and such breach is considered by the Placing Agent on reasonable grounds to be material in the context of the Placing; or
- (3) there is any material change (whether or not forming part of a series of changes) in market conditions which in the reasonable opinion of the Placing Agent would materially and prejudicially affect the Placing or makes it inadvisable or inexpedient for the Placing to proceed; or
- (4) any statement contained in this announcement and the previously published announcements by the Company has become or been discovered to be untrue, incorrect or misleading in any material respect which in the opinion of the Placing Agent would be materially adverse in the consummation of the Placing; or
- (5) there is any suspension of dealings in the Shares on the Stock Exchange for more than five consecutive Business Days (other than as a result of or in connection with the Placing); or

Since completion of the Placing is subject to the fulfillment of the condition as set out in the Placing Agreement, the Placing may or may not proceed. Shareholders and potential investors are reminded to exercise caution when dealing in the Shares.

REASONS FOR THE PLACING AND USE OF PROCEEDS

The principal activity of the Company is investment holding. The subsidiaries of the Company are principally engaged in (i) investment property; (ii) provision of financing services; (iii) securities trading and investment; (iv) trading business and related services and (v) e-commerce business.

It is expected that the maximum gross proceeds and net proceeds from the Placing will be approximately HK\$34.9 million and HK\$33.1 million respectively.

The net proceeds from the Placing are intended to be used for as to approximately HK\$5million for development of its existing trading business, as to approximately HK\$10 million for money lending business development of the Group, as to approximately HK\$5 million for repayment of loan interest and as to the remaining balance for general working capital.

The Directors are of the view that the Placing can strengthen the financial position of the Group and provide funding to the Group to meet any future development opportunities and obligations. The Placing also represents good opportunities to broaden the Shareholders' base and the capital base of the Company.

The Board has considered other alternative fund raising methods such as debt financing, rights issue or open offer. The Board considered that debt financing may incur interest burden on the Group and may be subject to lengthy due diligence and negotiations with the banks with reference to the Group's financial position and the then financial market condition and it may be relatively uncertain and time-consuming. On the other hand, rights issue or open offer will involve the issue of prospectus with other application and administrative procedures (such as arrangements for nil-paid rights shares) which may lead to relatively longer time and additional administrative cost to complete as compared to the equity financing through issue of new Shares under General Mandate.

The Directors (including the independent non-executive Directors) consider that the terms and conditions of the Placing Agreement are fair and reasonable and are on normal commercial terms and the Placing is in the interest of the Company and the Shareholders as a whole.
